

Application for SAEWA MEMBERSHIP/PARTNERSHIP

The purpose of the SAEWA as a non-profit-organisation is to provide and grow on a South(ern) African scale a safe, reliable and equitable service delivery footprint for both commercial business clients and individual households. SAEWA members seek to partner with each other to be able to offer prospective SAEWA clients a legally compliant “one stop shop” solution for e- waste. This is done by passing e-waste through a logistic chain of the most suitable and value adding members and their respective services to maximise both the recovery of “function” and “material” in a cradle-to-cradle management system .

By applying to become a SAEWA” MEMBER” you choose to align yourself and your WEEE business and adhere to the “Code of Conduct” as well as the Memorandum of Incorporation (MoI) of the SAEWA and you can prove a fully legally compliant operational setup is in place.

Once you have typed in and completed the application form, please fax or scan and email it with a signed copy the MoI and Code of Conduct as well as the signed Affidavit form (for Tier 1) to: 086 647 1475 or envirosense@xsinet.co.za
